TEACHING LOAD REPORTS WERE DUE LAST MONDAY NOON. At noon today, THURSDAY, sixteen were still out. When the students of these sixteen people turn in late papers we feel sure they will not complain.

THE SUMMER SCHOOL BULLETIN is now due from the press and will doubtless be available before the next issue of the Faculty Bulletin. Please leave in the Registrar's Office the names of those you feel will be interested. We will mail the bulletins.

THANKS FOR THE REPORTS ON REMOVAL OF "I" GRADES. If others were cared for on time and the reports are not in please report them right away that the record may be cleared.

CATALOG COPY FOR THE 1938-39 issue is now practically in hand and will go to the printer early next week. Any last minute changes you may have in mind should be reported immediately.
