Mr. Amon Carter,
Fort Worth, Texas.

My dear Mr. Carter:

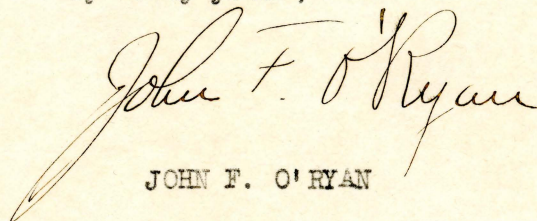

Mr. Loucks passed to me the letter of Raymond Buck asking for expedition of the Fort Worth lease, which was taken in hand promptly, and with some minor changes was executed today by Mr. Coahu, and I am mailing the copies now to Mr. Smith.

I take this occasion to congratulate you upon the effective manner in which you accomplished your plan for concentration of activities at Fort Worth.

We are living up in Westchester, and every Saturday afternoon will find me there wearing the Amon Carter campaign hat.

With kind regards,

Very truly yours,

JOHN F. O'RYAN
