Dear Mr. Carter:

Here are some photos which came in from London today. Also three copies of the May 11 issue of the London Daily Graphic with a picture of Mrs. Carter shown on page two. They came from Eric Cheadle, one of the English journalists on the Discovery Flight last fall.

We are also enclosing file copies of the photos made on the Fort Worth group departure two weeks ago. For reorder purposes, use the number in the upper left hand corner on the reverse side of the print.

Cordially,

Ben G. Wright
