Mr. Amon Carter, Sr.
Fort Worth, Texas

Dear Mr. Carter:

We were so happy to read in the paper this morning that Amon, Jr., was reported as captured by the Germans and now in a prison camp. When he was reported missing on February 14th, and when we learned of it shortly later, we were fearful, as we know you were, that he had been killed in action.

As you may remember, our son, Ross, Jr., was at Culver with Amon, Jr. Our son is stationed at Kelly Field, here, and Mrs. Beason and I are visiting San Antonio briefly, to see as much as possible of him before he is sent overseas.

I felt I could not let this occasion go by without dropping you a note to let you know that many others beside yourself were thinking about your son.

Sincerely yours

Rosa Beason
