My Dear Amon:--

I have just learned that Amon Jr.
is missing in action. I know this must be most
distressing to you and to his host of warm friends.
I am deeply sorry that this great sorrow has come
to you. Let us hope however that he has been spared
and ultimately may come home again when the whistles
blow for peace and the lights go on again all over
the world.

With my warmest and best regards, I am,

Most sincerely,

J. Mentor Caldwell.
