Dear Amon:

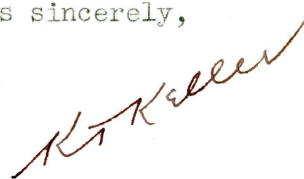

I am certainly glad to receive the paper, and the latest news on the "cowboy".

Isn't it wonderful to think that your diagnosis of the picture, apparently showing the cowboy with the captured troupes, has sustained you during this trying time while you were waiting for definite information?

Bad as it is to have him in a German prison camp; nevertheless, you must be greatly relieved to know he is alive.

Let us now hope that through exchange of prisoners you can again have him back with you.

Yours sincerely,

Mr. Amon Carter,
Fort Worth Star-Telegram,
Fort Worth, Texas.
