Washington, D. C.

June 14, 1939.

Hon. Amon G. Carter
Box 1036
Ft. Worth, Texas.

Dear Mr. Carter:

I am very appreciative of your thoughtfulness in sending me the rotogravure section of your paper for June 4, containing the reproduction of the portraits of Vice-President and Mrs. Garner. They are remarkably well done and I congratulate you upon having commissioned this most excellent artist to do the work.

With kindest personal regards, I am,

Sincerely yours,

John J. Dempsey.
