

November 17, 1943.

Mr. William Holden,
Executive Vice President,
Fort Worth Chamber of Commerce,
Fort Worth, Texas.

Dear Mr. Holden:

I have just read a copy of your wire dated November 16 to Mr. A. H. Kemp, President of the American Airlines. I am also in receipt of a letter from City Manager Bothwell enclosing copies of letters from Mayor McCrary to both Secretary of Commerce Jones and Mr. Kemp. I enclose herewith a copy of my letter to the Mayor.

It behooves all parties concerned in this controversy to be on the alert and make a vigorous, consecrated fight against any further dilatory changes in the program which Fort Worth accepted.

With best wishes, I am

Sincerely,

ACC.SB
