

FACULTY BULLETIN

VOL. XXX

August 6, 1953

No. 7

NOW HEAR THIS FOLKS:

With this issue, your Faculty Bulletin assumes something of a new role. To meet a need of long standing, every effort will be made to make the weekly issue a symposium of faculty and staff news, announcements and discussion of interest to all. To accomplish this end, the help of everyone will be needed.

If YOU have an announcement, a bit of news concerning a faculty member or any other suitable item, just type it up and send through inter-office mail to the office of Information Services or S. W. Hutton, registrar. The two offices will be working together in the effort to get out a Bulletin of much interest to you all. Thanks.

IN TRIBUTE:

The recent deaths of L. A. Dunagan and Dr. C. F. Cheverton have left the campus sad. Certainly two finer men were never connected with our institution. But their long years of service, their spirit of friendliness and their great love for TCU will long abide.

Let us all carry on with greater resolution and devotion in their memory. That's what they would have wanted.
