

BAND CLINIC

On next Wednesday, January 16, the School of Fine Arts will be host to the bands of the Fort Worth Public schools for our second annual clinic. Some 350 band members will be on our campus from eight-thirty until three-thirty. During the morning hours it is inescapable that we hold sectional rehearsals. These will be confined to third floor except that the woodwind instruments will be combined into a massed section in the auditorium from ten-thirty until twelve. We ask the indulgence of faculty members because we believe that this undertaking is decidedly in the best interests of T.C.U.

ORDER YOUR BOOKS NOW

Will all the Department Heads who have not completed their book orders for the Spring Semester do so at your earliest convenience. It would be a great help to have all orders returned to the Bookstore by Monday, January 15, at the latest.

If you will use any special paper or supplies, please indicate that on the order blanks, also. In that way we will be able to serve the students more efficiently.

Thank you for your cooperation.
