Dear Amon:

I arranged the Liability and Property Damage insurance on the Chevrolet for the Will Rogers Memorial Fund and on the truck used to display it. As there was no liability or damage of any kind on it, I have closed out the insurance. It was a pleasure to attend to this detail. We will have to pay Mr. Ernest Allen a small amount for expenses, which I am paying today.

As explained to you over the telephone, the Greyhound Bus Line brought the Breckenridge team in, but I agreed to pay the cost of moving a bus from Abilene to Breckenridge. I am getting the bill from the Greyhound Line today and will pay that.

I think we ought to pay all of the expenses of the Will Rogers movement and pay them at once. I am willing to make the advance payment now, until reimbursement can be arranged. As you know, I have paid all expenses to date and it has been a pleasure to do so. I have tried to keep the expenses down to a minimum and believe that has been accomplished.

Enclosed find copies of letter, which are self explanatory.

Best wishes,

WALTER B. SCOTT

Mr. Ernest Allen
Ernest Allen Motor Company

Dear friend:

You are due something for expenses incurred in the matter of handling the Chevrolet on the truck. I gave you two \$10.00 coupon books to be used in the purchase of gasoline and oil, which were donated by the Sinclair Oil Company. I understand these coupons were used up. Whatever the balance due is, let me know and a check will be sent you immediately.

I want to take this means of thanking you for the fine spirit shown and real assistance rendered me when I first approached you and asked you about the Chevrolet car being donated. Your readiness to acquiesce in what was wanted and your loyal cooperation made us all feel good.

Sincerely yours,

Mr. G P Schmal
Greyhound Bus Lines
Fort Worth, Texas

Dear Mr. Schmal:

On behalf of the Will Rogers Memorial movement, I want to thank the Greyhound Bus Lines, and especially you, for the fine cooperation shown in moving the Breckenridge football team to Fort Worth. It was agreed by me at the time to pay the cost of a bus being sent from Abilene to Breckenridge to be used in transporting the team. Whatever this bill may be, kindly send it to me and I will send you a check immediately.

We are all very grateful to the Greyhound Bus Lines. You helped the Will Rogers movement in a most attractive and liberal way. On behalf of the State Chairman, Mr. Amon C Carter, and the local organization of this movement, I thank you. It is folks like you that makes life worthwhile. You never hesitated when the request was made. You just acted.

Sincerely yours,

2-2
