Mr. Amon G. Carter,  
C/o Fort Worth Star-Telegram,  
Fort Worth, Texas.

Dear Mr. Carter:-

I rejoice with you in knowing that Amon, Jr. is alive and apparently O. K., except for his internment.

Knowing the stuff he is made of I feel certain he will come through O. K., and will want you to be here, well and happy, to receive him on his return.

Just wanted you to know that you and him have been in my thoughts and prayers for quite some time.

Sincerely yours,

Malvern Marks.
