Dear Amon:

Herewith copy of letter just sent to Mr. Young.  
I really am very earnest in the suggestion that we  
ought to have an early meeting to determine these  
things.

When are you coming up?

Best wishes always.

Hon. Owen D. Young  
Chairman, Executive Committee  
The Will Rogers Memorial Commission  
570 Lexington Avenue  
New York City

Dear Mr. Young:

Back a few days ago from a trip to California longer than usual, and this is by way of reporting in and expressing my good wishes.

While in California I had a long talk with Mrs. Rogers and with Will Rogers, Jr., the older boy, at their suggestion and relative to matters they had very much on their minds. I think it is important that these things be passed on to you and to the other members of the Executive Committee and believe that an early meeting of the Committee is indicated.

Too, I know you will agree with me that it is quite important that at an early date some action be concluded which will indicate progress in the disposition of the fund derived from the original drive. This action also, I think, should include the settlement of the relation with the states of California and Oklahoma and the payment into the Commission Treasury of any monies outstanding, collected in other states and not yet sent in.

I have talked to Jesse since I got back, and he concurs in the suggestion that we should have an early meeting. Of course, your own convenience is the first consideration in the matter, and whenever it seems timely to have the meeting, let me know and I will plan accordingly.

With kindest personal regards, I am

Sincerely yours,
