Dear Mother and Dad, I have an extra letter form this
month so am working again. I am getting along fine and
have been doing a little work in order to get out of camp during
the day-time, such as working in a saw mill downtown and also
tearing down a wooden house. It at least keeps me busy and
makes the time pass quicker. I have also changed rooms here
in the camp, since about 30 officers left to go and get
artificial legs and arms, leaving some rooms vacant.
There is one American here whom has already received
a letter from home so I should be getting some mail
before long. There is a rumor that we can't receive private
food parcels from the states but no one knows whether it's
true or not. A lot of officers receive food parcels from
Portugal so maybe you could make arrangements to have
them sent from there, because food is what we need.
Please send 100 Robert Bum again to Capt. J. H. CARTER
GEF. No. 187 OFLAG IXAIZ GERMANY. Take it from
my money. He is a British officer and has helped me a lot.
I can also use some MIXTURE 79, pipe tobacco, tooth
paste, hair oil, but no soap. Also see if you can send
me magazines, but nothing you think would be censored.
I hope everyone is getting along fine. Tell everyone hello
for me and that I hope to see them soon. Give Ruth, Carl +
Katie and Jean my love. Don't forget to keep the letters
coming because that is about all we look forward to. I
will write again in 2 weeks so until then remember
I am thinking of all of you. All my love, Amor Jr.
