Mr. Amon G. Carter,  
Star Telegram,  
Fort Worth, Texas

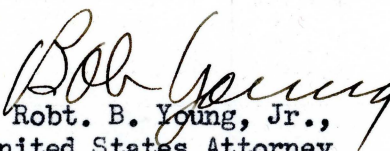

Dear Mr. Carter:

My office at Fort Worth tells me that your office has called to invite me to a party at Shady Oak on Wednesday evening for C. R. Smith. I am working with the Grand Jury but am going to make every effort to come over Wednesday evening and go to the party.

I was in the University of Texas with C. R. and also happened to be in the Air Transport Command while serving in the Army, and had occasion to be associated with C. R. during that time and would like very much to see him.

I know what fine parties you give and what a good time is always had and appreciate very much the invitation.

Sincerely,

  
Robt. B. Young, Jr.,  
United States Attorney
