The Honorable Amon G. Carter
Fort Worth
Texas

Dear Amon:

Gosh, that's some airport! I just this morning received the program of the official opening of the Amon Carter Field as well as newspaper accounts of it. And it's a honey!

Tomorrow I am flying to Dallas with some other men on a business trip and we are landing in Fort Worth first so will have a chance to see the airport first hand.

With best wishes, I remain

Yours very sincerely,

Edward J. Noble
