Dear Mr. Treviño:

I have been instructed by Mr. Oscar Monnig to offer you \$125.00 (U.S.) for the meteorite (described as a coarse octahedrite from Queretaro weighing 159.3 g).

If this is acceptable to you, please let me know how to complete this transaction. Thank you.

Very truly yours,

Arthur J. Ehlmann
Professor of Geology
(acting for Mr. Oscar Monnig)
