

## FACULTY BULLETIN

VOL. XXIII

June 17, 1948

No. 2

### YOU WILL BE INTERESTED

The Faculty Bulletin is for use of all Schools and Departments on the campus. Any communication of interest to the teaching and administrative staff may be included. Items must be in the Registrar's Office by Thursday, 9:00 A.M. to be included in the issue of that afternoon.

Please leave word in the Registrar's Office where you want your Faculty Bulletin delivered during the Summer Term and watch for it each week. If you do not find your Faculty Bulletin in the office designated be sure to notify us promptly.

The Room Schedule is now to be found in the office of Dean Moore instead of the Registrar's Office. Wisdom would suggest this change for department heads work out with Dean Moore their catalog data and room schedules in advance of each semester.

A student does not "drop" a course by simply quitting it. The word "drop" is an official term and to drop a course the student must drop officially through the Registrar's Office where the necessary signatures are required. You will in turn receive notification of the "drop". To accept other than an official drop is to queer the entire procedure.

S. W. Hutton, Registrar
