Mr. John C. Flinn, Secretary,  
Will Rogers Memorial Commission,  
570 Lexington Ave.,  
New York City, N.Y.

Dear Mr. Flinn:

Your letter of the 15th received,  
enclosing a setup for the Rogers Memorial which  
seems to be O.K. The delay in returning it to  
you sooner was occasioned by the fact that I had  
hoped to have an opportunity to go over the matter  
with Jesse Jones during his visit in Fort Worth;  
however I am sure it is all right.

With best wishes, I remain

Yours very truly,
