Walter Hyams & Company,
Newspaper Clippings,
New York City, N.Y.

Gentlemen:

Please accept my apology for not sooner acknowledging your letter of October 17th, as well as the receipt of the clippings which you were courteous enough to send Mr. Carter and which he appreciated very much.

Mr. Carter has been in Fort Worth but a few days at a time since I wrote making inquiry concerning the compilation of his clippings, letters, telegrams and data regarding Mr. Will Rogers, which accounts for the delay in giving you a definite answer. Mr. Carter is so busy right now and will be up until in February or March that he would not have time to gather this data up, so the best thing to do is to let it go until he has an opportunity to do this, at which time he will communicate with you.

Thanking you, I am

Yours very truly,

Secy. to Mr. Carter.
