Mr. Carter:

I am writing this letter to get some information concerning sending packages to my son who is a prisoner of war.

He received a letter from him this morning dated September 17, 1943. He said that your son was there with ~~you~~ him and that you would send us a letter telling us how

to mail him packages.
We have gotten information
as to how to mail packages
to him from the Red Cross.
We have already mailed
him one package.

If you know what he
meant by that statement
Please let me know.

Thank you

Sincerely

Mrs Lem Cannon
