FRITZ G. LANHAM  
12TH DIST. TEXAS

HOUSE OF REPRESENTATIVES U. S.

WASHINGTON, D. C.

December 21, 1925.

Mr. Amon G. Carter,  
Fort Worth, Texas.

Dear Amon:

I am in receipt of your letter enclosing one from Seth Barwise and I have read them with great interest. A few days ago I received a somewhat similar communication from Mayor Meacham. I had a conference last Friday with General Patrick about certain matters mentioned by Mr. Meacham, and in the course of that conversation General Patrick stated that he did not know of any intention to abandon Selfridge Field. I put before him at that time the advantages of Fort Worth, and will be glad to do so again at the first opportunity. I appreciate your courtesy in writing about this matter, and I am grateful for the good help I get from the people at home in trying to be of service. General Patrick stated to me that he was going to make certain investigations about our Fort Worth air field and I expect to have another talk with him as soon as he has had an opportunity to make such research.

I trust you may have a most enjoyable Christmas season and that it may be followed by a happy and prosperous New Year,

Sincerely your friend,

*Fritz G. Lanham*

*Seth Barwise*
