Gentlemen:

In going through an accumulation of mail on Mr. Carter's desk he ran across your note stating that his part of the "Will Rogers Memorial Dedicatioⁿ" broadcast on November 4, 1938, over WJZ, could be reproduced on a 12" aluminim record, double faced, at a price of \$5.50 plus postage.

Mr. Carter asked that I advise you that if you were willing to send the record on approval that he would keep it, in the event it is a good reproduction, or return it promptly in the event he does not like it.

Yours very truly,

Secy. to Mr. Carter.
