Mr. Lester D. Seymour, Pres.,

Dear Mr. Seymour:

Your letter of April 24th advising that Mr. Byrne expects to break ground for your new Fort Worth hangar on May 1st, received during Mr. Carter's absence from the City.

Should Mr. Carter return from the East by May 1st, I am sure he would take great pleasure in accepting your invitation to remove the first shovel of earth when the ground is broken for the new hangar.

Yours very truly,

Secy. to Mr. Carter.
