Dear Mr. Carter:

Our president, Bob Johnson, has advised me of your interest in our 1950 national Convention and Reunion. We are delighted with the prospect of Fort Worth as our next Convention city, and feel sure it can surpass our New York and Chicago events of the past two years.

Bob has asked me to provide you with all the information you might need in evaluating a possible program for Fort Worth, and I am more than happy to do so. If such information is desired, our headquarters staff stands ready to assist in every way possible. Please feel free to call upon us.

Sincerely,

James H. Straubel
