Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

Please be assured of my sincere appreciation of the special Texas edition copy of "Garner of Texas" by Bascom N. Timmons.

I have been an admirer of John Garner for many, many years and I am indeed delighted to have this extremely well written "Personal History". It was most thoughtful of you to remember me in this splendid manner.

With kindest personal regards,

Yours truly,
