Dear General:

Enclosed you will find copies of telegram I am sending to Honorable Sam Rayburn, former Speaker of the House, and now Minority Leader on the Democratic side; also, Wingate Lucas, Congressman from this Twelfth District, as well as a copy of my telegram to Honorable Fritz Lanham, who represented the Twelfth District in Congress for 26 years, and retired voluntarily last year. He now lives in Washington and has a number of influential friends in Congress. I am not sure as to whether this will be beneficial or not, but let's hope for the best.

Best regards,

Yours very truly,
