FACULTY FUND

If you have not done so already, please take your \$1.00 for the Faculty Fund (socials, flowers for funerals, etc.) to the office of the President. The Fund is very low and it will help greatly to have everyone's dollar in not later than Monday, December 13.

A SUGGESTION

All Faculty members who could possibly do so would find it stimulating and helpful to read "Liberal Education Re-examined" by Theodore M. Green and Others. It discusses the function of liberal education in a Democracy. This is a most important consideration at the present moment.

M.E. Sadler, President
Texas Christian University

SIX WEEKS REPORT

Tomorrow, December 10, is the date for the report on failing students. Please list the civilian students who are failing in your classes and file the report in the Registrar's Office not later than Saturday noon, the 11th. Include the following information:

Name

Course and Number

Signed

Teacher

Every teacher is required to make this report. If you have no failing students just turn in a sheet marked "No failing students" and sign your name.

PLEASE NOTE

When a student drops a course during the current semester (after December 4) the teacher should note the grade on the drop card. This is very important for when a course is dropped while the student is passing it does not count against him, but if he is failing the course and drops this late it is recorded as an "F".

SOCIAL HOUR

The T.C.U. Faculty and T.C.U. Woman's Club are joining hands in a general Christmas Social hour in Foster Hall Wednesday, Dec. 15 at 8 pm. Every faculty and club member with their husbands and wives are invited to be present. All new members are asked to be in a receiving line with President and Mrs. Sadler for a short period at the beginning of the hour.
