Hon. Amon G. Carter,
c/o Star-Telegram,
Fort Worth, Texas.

My dear Mr. Carter:

I notice that the Republican angel of our
New Deal President has attempted to land on you, but I
think his effusion was very weak. He is a perfect
exponent of the inanities and insanities of Roosevelt.
I don't think Ickes will hurt you any but I hope that
you and Jimmie North will give him the works.

Your friend,
