Dear Amon:

I have received an invitation to attend the unveiling of the Will Rogers equestrian monument; also an invitation to luncheon at Shady Oak Farm preceding the dedication.

Instead of sending you a cold and formal acknowledgment, I am writing to tell you how much I appreciate your remembering me, and to add that if it were possible I should certainly enjoy attending the luncheon at Shady Oak Farm. I hope that sometime in the future I may have this pleasure.

With all good wishes,

Very sincerely yours,

Mr. Amon G. Carter
