DO NOT FAIL TO SEE

D- DAY INVASION

-

DESERT VICTORY

Dear Member:

These pictures will be shown to all members of the National Aeronautic Association and one guest for each at the Blackstone Hotel Ballroom on August 11, 1944, at 7:30 p.m.

The D-Day Invasion Film will last approximately 15 minutes, and the Desert Victory film will last one hour.

These are both reputed to be very interesting as well as entertaining pictures. We feel very lucky in being able to secure same. The D-Day Invasion picture is self-explanatory and the 'Desert Victory' is the story of the British Eighth Army's smashing victory at El Alamein and its triumphant advance across the desert to Tripoli. The progress and tactics of the battle are described by means of maps and commentary.

The air-conditioning will be going strong so bring as your guest either your wife or a prospective member for the Fort Worth Chapter of the Association.

Yours very truly,

Jack Rattikin
