Dear Mr. Carter:-

Please accept my
great appreciation for a
marvelous time.

Your wonderful
hospitality was the high
spot of our tour. You
certainly have a grand boy,
or "young Southern gentleman"
whom Margaret said she

is looking forward to seeing
again!

I think you are the worlds
best toastmaster and arranger.
Some of your friends told us that
even the weather performed
for you. a perfect day.

"Many thanks" is stating
it mildly.

Most sincerely

article from May Peterson, who
sang with Caruso fourteen years
at the Metropolitan Opera.
