The Hon. Amon Carter,
Fort Worth, Texas

Dear Amon:

The hearts of all your Hoosier friends are with you in this hour of trial. We know now that your Governess is a naughty lady to say such things about you. And we resent it. If that old girl ever comes into Indiana we will make her sorry for speaking thus of a good fellow like you.

You were endorsed last night and your conduct approved as to all matters by Local 18, of the Poison Pen Industrial Union of Marion County.

If I were not so busy I would rush to your side and die there, if necessary, in the great cause of personal liberty. I shall be in Washington D. C. December 12-20 so if you pass by give me a ring at the Mayflower.

With loves and kisses,

Yours sincerely,

Meredit H. Nicholson
