T. C. U. VS AUSTIN COLLEGE

It was our fourth consecutive defeat, but that does not mean we are outclassed in every particular. Luck has been a very consistent ground gainer for our opponents this season and we can trace a major portion of our opponents' touch-downs to this fickle goddess. She was perched on high between Austin's goal posts throughout Saturday's contest, and as a result Austin College won by a score of 18 to 8. The score was close, but it should have been closer still.

The greater part of the battle was fought in the center of the field. The struggle was fierce and hard-fought. Although a total of 26 points was made by the two teams, the ball was never put in play nearer than the 20-yard line. The touch-downs were made from the 20, 30 and 35-yard lines.

Stewart, Anderson and Parker were our defensive stars and Cox was our most consistent ground-gainer. Griggs, Richardson and Prude were the boys who did most effective work for Austin College.

The game in detail:

First Quarter.

Captain Daniel lost the toss and kicked to Austin at the last goal. He booted the sphere 40 yards and it fell into the waiting arms of Griggs, who returned it to the center of the field. When tackled he fumbled the ball and Ware recovered. Failing to gain, Cox punted 40 yards, with no return. An end run netted 10 yards and Griggs made 9 yards more on the same play. First down was made on a straight buck. T. C. U. here took a brace and held Austin until they were forced to punt. Richards booted 40 and Dan brought it back 10. Cox made 15 on an end run. Dan failed to gain. A forward pass to Fields netted 15, but it was of no avail, for an over-zealous forward was caught holding and T. C. U. was penalized 15 yards for holding. Cox punted 55 yards and Richards was downed in his tracks. Griggs made four on an end run, and then duplicated the same for 20 more. T. C. U. was again penalized 5 yards for offside. That tricky end run of Austin's was now worked for their first touch-down, Griggs carrying the ball. Richards kicked goal. Score: Austin 6, T. C. U. 0. Time of touch-down, 9 minutes.

T. C. U. received the kick and Bussey returned it 10 yards from where he received it on the 25-yard line. Cox made 9 and Bussey made first down. Dan made 8 and followed it up by a spectacular run for 25 yards.

SECRETARY MUCKLEY SPEAKS

Mr. G. W. Muckley of Kansas City Secretary of the Christian Church Extension Board, visited the city this week and addressed the student body at chapel last Tuesday morning. Mr. Muckley held the attention of his audience admirably, spicing his address with plenty of wit. His congratulations of Texas and the brotherhood of Disciples of Christ on having the best buildings he had seen on any college campus were heartily applauded. In this connection Secretary Muckley said: "From our universities must come the saving element of our nation."

In the course of his address the speaker gave some interesting and remarkable facts about the work of the Church Extension Board. This department of the church work was established in 1888, with a meager sum to work with. But in spite of such handicaps, the Board has handled over two million, one hundred thousand dollars with a loss of only one thousand and twenty-six dollars. It has built a countless number of churches that could never have been started without its aid. The plan of the Board of loaning \$500.00 to each church and collecting a certain portion of the principal, with interest, each month, results in the course of one year that \$2500 does \$6,221 worth of work. Mr. Muckley characterized this automatic plan as "a clear case of arithmetical and geometrical progression combined with perpetual motion."

Mr. Muckley left us with a definite knowledge of another great organization which is accomplishing a worthy work for humanity.

MISS REEVES TO READ

Principal School of Oratory Will Give "Enoch Arden" Wednesday 29th.

MUSIC SETTING BY TECHAU

Other Readings and Addresses by Faculty Men to Follow.

An event of interest to all the friends of T. C. U., as well as to the student body, in the form of a recital by the Principal of the School of Oratory, will be given Monday, November 27, in the university auditorium, at 8:15 p. m. Miss Clyde Batsell Reeves will read Tennyson's well known poem, "Enoch Arden." Mr. Harold R. Techau, of the Department of Music, will play the musical setting of the poem, which is arranged by Richard Strauss.

Miss Reeves needs no introduction to a Texas audience, having read in most all parts of the State. Her rendering of the song of "Hiawatha" one year ago at the Byers' Opera House in this city was genuinely appreciated by artistic critics, literary students and the cold-hearted business man alike. Some of the strong points that have characterized Miss Reeves' readings in the past are her naturalness of manner, control and richness of voice, and remarkable ability of interpretation. This recital is looked forward to as a genuinely intellectual treat as well as an event that will furnish a high order of entertainment.

Mr. Techau recently appeared in a recital by the Musical Faculty, in which he became acquainted with the new students of the university as a pianist of ability. His appearances prior to this, before T. C. U. audiences as well as in other schools, have been noticeably successful. Mr. Techau's musical ability, as shown in the recital by the Music Faculty of T. C. U. near the opening of school in 1910, was highly appreciated by musicians in Fort Worth. Miss Reeves feels that she is fortunate in securing his assistance in this first recital of her department.

This recital is the first in a series of courses to be given this year by members of the faculty. Prof. H. T. Sutton, Dr. G. A. Lewellen, Dr. O. L. Lyon, and probably one other faculty man, will appear in the order named with readings, lectures and addresses. Each date will be set about one month apart. Thorough preparation is being made for these events by those who are to appear. Their efforts will be appreciated by the students.

LATER—The date of the Recital has been changed to Wednesday the 29th.

Y. W. C. A. NOTES.

Last Sunday evening the Y. W. C. A. girls were delighted at having Prof. Exley speak to them on "Woman's Sphere." Prof. Exley is the first of the faculty members to address the association this year. His talk was much enjoyed by every one and they hope to have him with them again. The girls are anticipating addresses from other members of the faculty in the near future.

Another enjoyable feature of last Sunday's meeting was a solo by Mr. Murray, and the girls are glad that he has promised to sing for them again.

Good Gott and Little Gott Duke went home for a short visit the latter part of last week.

SCRUBS FOR HUBBARD.

The Scrub team received notice Wednesday to come to Hubbard for a game. The game was too late to get reports for this issue of the Skiff, but good wishes and support of the student body are with them, and we feel sure they have won the day.

The second team has a remarkably good record this season. They have not so far been scored upon. Their scores follow in brief:

T. C. U. 2nd, 5; North Fort Worth High, 0.

T. C. U. 2nd, 6; Ft. Worth High, 0.

T. C. U. 2nd, 0; Osceola, 0.

Wednesday the boys met the Hubbard Independents, who have some old college players in the line-up. The line-up of the T. C. U. team was: McFarland, Hill, Griffin, ends; C. Tomlinson and Gaunt, tackles; Reeves, Rawlins and Curby, center; Moore, quarter-back; Tennell and Street, halves; Simpson, full back.

WEATHERFORD GAME.

Wednesday afternoon T. C. U. met and defeated Weatherford College on the former's ground, 24 to 0.

The early part of the game was all in favor of the visitors. They carried the ball around the ends, through the line and successfully worked the forward pass, time after time, for good gains.

Varsity lacked her old form and not until half the game was played did the boys work together.

C. O. B. NOTES.

Travis Widener of Delia, Texas, and Lee Burger of Fort Worth were enrolled in the Business College last week.

The management has obtained a splendid position as bookkeeper for one of the large firms in the city for Mr. Mullen, one of our students.

The new furniture has been placed and T. C. U. now boasts of having the best equipped College of Business in Texas.

Every student would do well to read Carter's ad in this issue on page two.

Wanted—good-looking fellow that wants to have a good time and who is willing to be petted by the girls. He must be witty, good-natured and wide-awake; he must also sing First Tenor. Apply to "Coqua mala est," second floor, Goode Hall.

The resignation of Prof. Exley as a teacher in the Sunday School is much regretted by the entire school as well as by his disappointed class. Prof. Exley evidently has good reasons for his action, but it is to be regretted that such a course was necessary.

SAVING YOUR COLLARS AND TIES

You know how aggravating it is when you are dressing in a hurry and, after getting your collar and tie on, you start to get the tie adjusted properly, you pull gently, then more strongly, and finally you "yank" it. Either the collar flies open or the tie tears and you become angry. Even if you do succeed in getting the tie right, it looks like a string when you take it out of the collar. Save this worry and wear and tear by having your collars moulded on our new "PROSPERITY COLLAR MOULDER". It's a steam heated machine that presses the collar instead of having it subjected to friction. Your collars go on a ring and are pressed into shape, leaving ample tie space so that the tie slips freely at all times. Seeing is believing—just see some of our collar work.

T. C. U. has a wide-awake bunch of boys in her band. Give them your support.

The Y. W. C. A. is doing splendid work. The girls could show their college 'pep' by helping them.

This is the third month of school and no Glee Club yet. How we long to hear those old songs! Without them we are missing many pleasures of our college life. Why don't YOU push it?

Have you got any life about you? Certainly you have, if you amount to anything in T. C. U. Then a good way to show it and to increase your store of it is to get up early enough for Sunday School.

The students are to be commended for their good yelling at the game with Austin College. One of the boys remarked: "Why, the rooters were giving 'Rip-Ram' while Austin College was making the last touchdown and Red Water was crying." This shows the spirit of T. C. U. and explains why our city papers compliment our yelling. There is another time near at hand that will demand a goodly stock of pep. Poly MUST be "rolled in the sod." Our boys CAN do it. T. C. U. WILL NOT be downed by that little prep. school. We must have the Diggs Bros. loving cup.

It is true we show enthusiasm at our regular pep meetings, but the place we need it most is all over the whole school, from one end of the campus to the other, all the time. Don't knock on the ball team, you know we have a good one—and you can say nothing about our coach except something good. Don't hammer at the faculty and the student body—you are part of it and if every one was like you, how long would it hold together? Don't get sour on the world and wear a long face. When you are down on your luck, grin and keep grinning. Always be willing to do a fellow a good turn; you will not regret it. Try smiling and be happy and you will find that this old world is not nearly so sour as you first thought.

Quite a lot of the fellows who were not able to go to the game Tuesday, instead of going to the management and making arrangements for a ticket or an excuse, lowered themselves to the extent that they sat in the windows to view the game. Now this is not fair. Any fellow who is not able to go to a game can get excused or passed, instead of sitting in a window and setting a bad example for some who know no better.

RUBEN'S DOPE.

College pep is that seasoning in a college man's life that he can't buy at a store, but which leaves him rather insipid if he can't get it—just like salad would be without seasoning. It would be a good idea for each of us to season up with a lot of pep for the big Thanksgiving game.

The radish said to the dainty cauliflower, "Lettuce fly away together."

She replied, "Ah, beet it, you cabbage head; we cantaloupe, for the gardener is watching us."

"RUBEN."

A real treat was had in Miss Elizabeth Henderson's piano solo at the Add-Ran-Clark joint session in the auditorium on Monday morning. The excellent result of some of Prof. Johnson's painstaking work was evident in her rendition of Mendelssohn's "Rondo Capriccioso." Miss Henderson's execution was clear, exact, and smooth; the expression was artistic and free, and a good musical conception on the part of the performer was shown in the rhythmically accented style, and flowing, well-modulated time.

T. C. U. vs. Austin College

(Continued from page one.)

He then bucked for 2 more. A forward pass failed. Cox punted 40 yards and the ball crossed the goal line. It was put in play on the 25-yard line. Austin failed on their short end run twice in succession and were forced to punt. Bussey returned the ball 5 yards. A forward pass failing, Cox punted 40 yards and Richards was downed in his tracks. Prince made 9 yards on a triple pass. Austin was penalized 15 yards for holding. Richards dropped back to punt and Fields blocking his kick ran for a touch-down. Cox failed at goal. Score: Austin 6, T. C. U. 5. The period was up just as Fields finished his run.

Second Quarter.

T. C. U. kicked to Austin's 5-yard line and the man was downed in his tracks. Varsity was penalized 5 yards for offside. Austin then easily made first down. Failing to pull off their short end run, Richards punted 40 yards. Bussey returned it 10 yards. Daniel was good for 5 yards. Fields failed to gain. Cox fumbled and Ware recovered. Fields again failed. Cox punted 20 yards and there was no return. Varsity held 'em again and forced the Austinites to kick. The ball sailed 45 yards and Bussey returned it 5 yards. A forward pass to Bussey netted 15 yards. The same to Fields failed and Cox punted 45. Parker recovered. Cox made 6, Dan 3 and Ware made it first down. Bussey and Dan failing to make the required distance, Cox was called upon for a place kick. He executed it easily and the score stood: Austin 6, T. C. U. 8.

T. C. U. kicked to Austin's 25-yard line and downed the recipient in his tracks. On a fake punt Austin made 15 yards and then made 5 yards on an end run. Mason made 10 yards on a tackle play. The ball went over on the next two plays. Dan made 6 and 3. Bussey again essayed a forward pass to Parker. Prude caught it and ran 15 yards. Time was called with the ball on T. C. U.'s 35-yard line.

The second half was a duplicate of the first half in many ways. Both teams punted frequently and used short end runs for their best ground gainers. Austin scored a touch-down in each quarter of the second half. The first one came from a drop kick formation and the second was made from a punt.

The remainder of the game was as hard fought as the first half.

The Austin boys ran interference in splendid style and were always in the game. Lever's boys showed a greater variety of plays and tricks, but they were not used to the best advantage. Capt. Daniel was in the game for the first time and as a consequence he was not up to his usual standard. Wise was playing a half-back position, which he never held before, and Thannish had to be moved from half to end. This accounts in a great measure for the seeming lack of unity in our back field.

The grand stand gave the team hearty support. They pulled hard all through the game and never gave up until the last whistle blew. Such "pep" is a great thing for the team and for the school.

With all the "dope" against us and the odds taking a constant leap, it looks a wee bit bad for the turkey day game, but we are going to get Polly's cracker. The pep in the grand stand says so, the medical boys answer amen, "Bun" Ware solemnly wags his head as he assents to this, and the team is more determined than ever.

Here's to a turkey day victory for Purple and White.

"What say ye of it?"

mounted white horses, representing the Add-Ran and Clark Literary Societies, and labeled with the word "Helpfulness," were doing their service in the training of men for service in the little world about. The closing sentence of the address is well worth remembering: "There is no life that is pure in its purpose and strong in its strife, but that all life is helped by it."
