MAKE SURE

The registration this spring has moved through to completion with satisfaction. Drops and Adds have been made in numbers sufficient to iron out most of the difficulties of adjustment. It is now too late to add courses. Drops may be made, of course.

There is great need at this time for every teacher to check up on each class roll to make sure an "Admit to Class" card is in hand for every student in class. These cards must correspond in Course and Number with the course being taken and must show the "O.K." of the Business Office.

No student is permitted to attend class without the "Admit to Class" card. Send students to the Business office immediately if you do not have this card in hand.

Please do not change number of course shown on "Admit to Class". This confuses the books in the Registrar's Office.

A careful check on every class roll now will save embarrassing situations later.

Thank you for your cooperation in these important matters.

S. W. Hutton,
Registrar
