Dear Sir

I read with Much

Interest your reply to mine Requesting you to
Resign. Would that Texas had more Independent
Men of your Type. This Administration is so Bad
that they do not know which way to Turn. The Idea
of me offering 500⁰⁰ Reward at this time for Every
Rich Man who deels in Requior Why did not she
do this after she took office. You were Right
in shrouding for Moody. He certainly Deserves
the Commendation of the People of Texas and
if the Bay has any Ambition to go forward in
Politics Now is the Time. he should Announce
for Governr as soon as he gets through with
Exposing those Highway Road Robbers. He will
not have to spend any Money, as the People
are with him to a Man Except the Slaves
to Jimi in his Election is in the Atmosphere

Wishing you Success in your Immanee paper

Your Respect
