

THE WHITE HOUSE
WASHINGTON

October 21, 1953

Dear Anon,

I am really thrilled with the attractive watch! The face is very pretty, and I find the roulette and dog race border on the back "tres amusant"! It will be great fun to carry this gift of yours.

I do wish I might have been along on Ike's trip to catch a glimpse of you and Minnie, and I was very pleased to learn that you are both looking so well.

With many, many thanks for your kindness, and affectionate regard to you and Minnie,

Mamie Eisenhower
