Mr. Arthur G. Beggs,

Los Angeles, Calif.

Dear Mr. Beggs:

Your letter of January 12th, as well as the pictures of your greeting Sammy Baugh upon his arrival in Glendale, shall be brought to Mr. Carter's attention as soon as he returns from the East.

He will only be here a few days and then, unless his plans have been changed, he will fly to San Francisco for the football game there January 29th.

I am sure he will be glad to comply with your request and suggestion concerning the picture.

Yours very truly,

Secy. to Mr. Carter.
