Dear sir

I am sorry about
not writing to you
sooner I have
been so busy I
didn't think of
it.

When you get time
drive out here
I would like to
talk to you about
the rocks
I can tell you
more about them
out here.

if you can get here
this week
I will be here
an a part of next
week & think you
might find a few
more rocks there.
if you come out
of here hit 66 & W
out of Lampasas
head towards
Burnet when you
travel about 9 mi
you will see a
Catholic Church of
Christ sign at
a cross road
you take the
right hand
over

any body along

that road can
tell you where I
live.

yours Truly

Joe Chamberlain
