Mrs. Paula M. Love
Will Rogers Memorial Commission
Claremore, Oklahoma

Dear Mrs. Love:

Thank you for your letter of November 18, and for all the information therein. In all probability the statue will be ready for shipment before Christmas, and I wonder if it should be sent direct to you, or have you any other suggestions?

Enclosed you will find labels for the shipment of the small statue to be used in an art exhibit which Electra Waggoner will have in Fort Worth in January. If you will make the shipment in time for it to be received in Fort Worth not later than January 14 it shall be appreciated very much.

Thanking you, and with best wishes,

Yours very truly,

Secretary to A. G. Carter
