

O. M. MOSIER

October 2nd, 1945

Dear Amon:

You did a great job for the Directors while they were in Fort Worth, and I don't know how we can ever thank you enough.

I have said many times that your continued hospitality leaves us no opportunity to ever reciprocate, but I want you to know how sincerely I appreciate your every courtesy.

Warmest personal regards always,

Sincerely yours,

"Red"
