Hon. Amon Carter,
Ft Worth, Texas.

My dear Mr. Carter;-

May I respectfully present my respects and felicitations to you for your very thoughtful presentation of the WILL ROGERS statue to Ft Worth, Texas and posterity. Here in Ohio, we have read press reports of the presentation with the famed General IKE, and all of the other notables present. Great work and timing!

You may not remember me as a Lt Colonel at Hq, AAF WRC, with offices in the TP Bldg during WW II. Mrs. Dunlap and I shall always remember our year in your wonderful city. We still treasure the many friendships made there... and always BOOST Ft Worth and the Lone Star State. We were well treated by you & all there... and would like to come back!

I am now a disabled Vet Officer of WW I & WW II and dont amount to much. My body is infirm, but my mind is alert..I hope!!

We miss the environment of Ft Worth. So do many of our friends, judging from their letters to us.

Will you be kind enough to ask your local C of C to send us folders etc of Tarrant County? Thank! We' like to pass 'em around to the Buckeyes!!

Reiterating my sentiment of respects and again congratulating you upon your enterprise in presenting the W. Rogers statue, I am signing myself as an old friend of Will and a well wisher for yourself and Texas.

Cordially,

RALPH H. DUNLAP
Lt Col., Ret.
