Mr. Anon G. Carter, Manager,  
Fort Worth Star Telegram,  
Fort Worth, Texas.

Dear Mr. Carter:

You are very busy I know, but the Times Herald gave an account of your experience with one of the Governor's Colonels. May I offer my congratulations, Mr. Moody is the man of the hour and deserves all the praise we can give him and you did exactly the proper thing in classifying him with the winning Aggies.

Never since the world began have we had a more inefficient governor than the one we have now, not mentioning any corruption or graft. The present regime is leading head-over-heels to anarchy and we need more men like yourself and Mr. Moody.

I do not know what your thoughts are but I for one would like for Mr. Moody to be our next Governor and I believe you can be the main support in putting him across.

With every good wish for you and your interests for the coming New Year. I am,

PH/BLT.

Sincerely yours,

*Bryce L. Twitty*
