## A REMINDER

I am sure all faculty members realize the necessity for everyone to follow closely the Final Examination Schedule with the request for report on those who are to graduate May 31 and other items included. If even one teacher fails us in following the instructions endless delay is caused. We appreciate your fine cooperation in the past and will depend upon it now. Thanks!

S. W. Hutton, Registrar

## FALL SCHEDULE

As a matter of information, I am reporting to the faculty that schedules for the fall semester have been received from all departments, and have been transferred to the room charts. No changes as to hour or room should be made without reference to this schedule and the room chart. The schedule for the fall semester will be printed as soon as possible, but cannot be done before the end of the current semester.

Jerome Moore, Chairman  
Scheduling Committee
