BUFFALO, N.Y.

March 29, 1943

My dear Amon:

I am terribly, terribly sorry to learn that your boy, Amon, Jr., is reported missing in action. I sincerely hope that he may eventually be reported safe, even though hospitalized or prisoner of war.

I know the trials and worries that are besetting you in this situation and I just want to send this little note to say that I am thinking of you and wishing for you the best in every way.

Very sincerely yours,

Ed
