Dear Mr. Carter:

Mrs. Rogers asked me to send you the enclosed copy of letter which she has written to the Chamber of Commerce in Fort Worth.

She is anxious to make the Fort Worth display a very outstanding one and would appreciate any material you may have there that would add to it.

Sincerely,

Oliver M. Williams

The President
of the Chamber of Commerce

Dear Sir:

We are getting together a little story about Will Rogers' visit to your city during the draught relief tour in 1931.

Along with the beautiful silver ~~and gold~~ cup which the City of Fort Worth presented to my husband, I would like to add photographs and stories which were published in the newspapers at that time; also, any advertising material, banners, lithographs, the program for the evenings entertainment, or any material which might add to the display.

All these will be placed in a glass case in the Will Rogers Memorial in Claremore and I should like to make it a very outstanding display as it will be preserved there for all time.

Any help you can give me will be very much appreciated.

Sincerely,
Betty Rogers
