## Navy Selects Brite College

### V-12 Men Will Train For Chaplains—Students Interested See Dean Hall

Brite College of the Bible has been approved by the Navy for the training of V-12 men of seminary rank who wish to become chaplains, Dean Colby D. Hall reports.

The Christian Church has been given a quota of 21 graduate students for chaplain training.

"The Navy has set a national quota of 100 chaplains to be graduated each year," Dean Hall explains. "Each church has been assigned a training quota. After this plan gets into full operation, all Navy chaplains will be procured through this training."

"Undergraduates will probably also be given a choice of schools. T. C. U. is approved to receive them."

Two Navy officers visited the campus, interviewing prospective students and inspecting the plant, before the University was approved for this training.

The College of the Bible of Transylvania University, Lexington, Ky., is the only other Christian Church school approved by the Navy for graduate chaplain training.

"The curriculum for theological students will be that prescribed by the seminary which the student attends," Dean Hall explains. "The Navy Department will not exercise any jurisdiction over the curriculum."

Interested students may obtain additional information from Dean Hall.

## Jimmy Farrar Is Speaker At TSCW Religious Week

Jimmy Farrar was one of three theological students who were the principal speakers on the Religious Emphasis Week program at T. S. C. W. in Denton this week.

Farrar gave two addresses on "The Challenge of Christianity Today." He spoke Monday night on "The Challenge to Live." "The Challenge to Think" was the subject of his address to the student assembly Tuesday morning.

Farrar also spoke at the "Morning Watch" on the steps of the school library Tuesday morning and to a sociology class the same day.

The other two speakers on the program were from the Southwestern Baptist Theological Seminary and S. M. U.

## "Classes Will Continue Through Oct. 26"—Moore

Monday and Tuesday have been set as examination days for classes which meet daily. Those meeting on MWF may have exams either today or Monday. Those classes which meet on TTS may have finals either tomorrow or Tuesday.

Registration for new students will begin at 9 a. m. Oct. 29 and last until noon Oct. 30. The first meeting of the classes for the winter semester will be Nov. 1.

## Brite Chapel Program Postponed to Nov. 10

The chapel program in Brite College of the Bible which was announced for Wednesday will be postponed until Nov. 10, due to the vacation period.

# Foltz, Farrar Bow to V-12 Vote as Brown, Chronister Are Named Prexy, Vice-Prexy

## Misses Dameron, Churchill Assume Duties of Secretary, Treasurer of Student Body.

Floyd "Zeke" Chronister and James H. "Jimmie" Brown, supported by V-12 men in Wednesday's elections, nosed out their opponents by 52 and 82 votes respectively. Runners-up were Clyde Foltz and Jimmy Farrar. Chronister will go into office as president of the student body with the inauguration meeting of the Student Council Monday. Brown becomes vice-president at that time.

Miss June Dameron was named secretary and Miss Virginia Churchill treasurer. Both have had former experience in the Student Council and are familiar with the work.

The Council places will be filled by Miss Lorna Culp and Miss Gerlyne Schmidt in places 1 and 2; Miss Bonnie

Hall and Miss Frances Stearns, places 3 and 4; Miss Frances Alexander and Miss Mary Lou Slay, places 5 and 6 and Miss Alice Ann Ward, by merit of two votes over Charles Haynes, as freshman class representative.

The senior class had no candidate for president and will name one at a called meeting later. Miss Genevieve Able was named vice-president and Miss Lorna Culp was re-elected as secretary-treasurer.

Brazelton "Braz" Pryor, V-12 man, was given the margin over his opponent, Miss Ruth Taulbee, to become president of the junior class. Mrs. Dorothy Bryant Montgomery is vice-president and Miss Katherine Waldron, secretary-treasurer.

Competition in the race for sophomore class president was a little stiffer than in the others. By merit of three votes, Bill Gaffney, another V-12 man, becomes president. Bob Matheny was runner-up with 36 votes. Miss Fay "Baby" Garner is vice-president and Miss Betty Mae Davis secretary-treasurer.

In the freshman class Miss Nel Epperson carried the count by four-score and two votes with her closest opponent Billy Dameron. Robert Maxey becomes vice-president and Miss Frances Williams secretary-treasurer unopposed.

The Clark Hall representatives to the Council which were named last Sunday are Jack Morgan, from 1st deck; Pryor from 2nd deck and W. D. S. "Bill" Witte from the 3rd deck.

## Frosh-Soph Play Contest To Be Held in November

The annual Freshman-Sophomore Play Contest will be held early in November, Miss Ann Barham reports.

Mrs. Katherine Norton is returning to the speech department in November. The Dramatic Club will probably present a play under her direction as soon as she returns. The type of play to be presented will depend on Mrs. Norton.

## 'Unenforceable Obligations' Topic for Sunday Service

"The Realm of Unenforceable Obligations" will be the subject of the sermon to be given by the Rev. Granville Walker at 10:50 o'clock Sunday morning at the University Christian Church.

A quartette composed of Miss Max Helen Pickens, Arthur Arney, Miss Elizabeth Faguy-Cote and Melvin Dacus, will sing "The King of Love My Shepherd Is."

## Fund Misses Fall Goal \$147

### New Council Expected To Make Up Drop—All Money Not Yet Turned In

The Frog War Fund fell way short of the goal set for the first two month period, reports the committee handling it. The goal was \$250 while the total intake for the Fund was \$103.52.

There was \$200 left in the Fund from the past school year one half of which has been sent to the War Chest and the rest used to buy bonds. This money has been disposed of and the money now in the fund is that which has been collected from socials held on the campus.

A new Frog War Fund committee will be appointed with the entrance of the new Student Council and there is the possibility that the new committee may be able to make up for the drop in the first period total and keep the Fund up to the level set for it.

There is a small deposit yet to be made to the Fund which comes from the sale of "Beat A. & M." ribbons at the last football game. The exact amount is not yet known.

## Sadler Heads Seminar For Post-War Planning

President M. E. Sadler has been named chairman of a Fort Worth-Dallas seminar to be held in preparation for the Des Moines conference for post-war planning, Feb. 1-4, sponsored by the Christian Church.

President Sadler will attend a set-up meeting of seminar chairmen in Kansas City, Mo., Wednesday at which the method of seminar procedure will be planned.

## Nov. 5 Date of Next Skiff Due to Holiday Period

There will be no Skiff next week because of the holiday period between semesters. The next paper will be issued Nov. 5.

## Flag Raisers Stall For Radio Time To Catch Anthem

The \$64 question Saturday at the game was, "What happened to delay the Navy V-12 men in raising the flags?"

No, the delay wasn't caused by the snaps on the chain not working, nor were the flags in a knot. The Navy men were not slap-happy nor blind, either.

The answer to the question is very simple. The Navy V-12ers arrived at the flag pole, snapped the two flags on immediately but had to wait three minutes until the game came on the air so that the National Anthem might be sent over the radio.

## Foltz Requests Council Reports

President Clyde Foltz issued a request to the chairmen of all committees at Student Council meeting Monday that their business for the term must be ended and a formal report made at the meeting Monday. Also at that time the incoming Council members who will replace those on the provisional Council will be installed and the duties of their offices outlined to them.

A report on the Victory dance was made by Jimmie Brown. Miss Pat Fincher was called in to clarify a few points in the report. A question of expenses and gate receipts has made it necessary for the Council to reconsider the dance at the next Council meeting. Miss Fincher will again present her report with revisions and more detail.

BILLIE JEAN BONEY EDITOR and MANAGER

**Read, Dadgummit!**

A direct quote by Abraham Clay Franklin, taken from the "Articles of the Consternation," by the author of the same name, states, quote, "Every man shall read the editorials printed herewith in order to increase his knowledge and lower his conception of mankind." There are numerous others stated in more flowery language giving reasons for editorials.

A student should read editorials because he can find out what other students are thinking, and, in this ever-changing world, what could be more important? But the chief reason is that anytime an editorialist goes to the trouble of burdening his brain with uncouth slander and tries twisting it around to sound tactful, by gosh, everybody ought to read it just for friendship's sake!

More reasons may be obtained by applying to the editor or some member of the editorial staff. Now, read 'em, dadgummit!

*"We are determined that, in spite of changes from peacetime policies, standards of instruction and good learning shall not be lowered. Our one goal for students is that they become stalwart, understanding and useful. That, we believe, is the heart of education, whether in peace or in war."—University of Miami.*

**Uncle Sam Said "All Out"**

When Uncle Sam said "We'll all have to go all out to win," T. C. U. was among the first to start. With an A. V. P. unit, she thought she was doing pretty good. But just to help out she added Navy V-12. Then a dash of V-5 was squeezed in.

Uncle Sam still cried "All out," so T. C. U. applied for more. Now she has been approved by the Navy for an additional unit of V-12 men of seminary rank.

T. C. U. and the College of Bible of Lexington, Ky., have been approved as the two Christian Church schools for training Navy chaplains.

The fellow who says the little university is on the decline because it's too weak to hold up its end, can come to T. C. U. for proof that he is wrong.

*"There is much more to be done than the defeat of Germany and Japan. . . Much that has characterized our immediate past, and may characterize our future, arises from a perverted sense of values—a confusion between the treasures and the trash of life."—Dr. Alder Drew Kelley.*

**Is It Thoughtlessness?**

And they waited and waited and still they could not get into the Postoffice to get their mail. So they had to go away and come back after the next class for that letter they had been waiting for so long. There was too big a crowd and nobody wanted to leave; they only stood in the same spot to read and gossip.

How much studying could a student get done with a bee buzzing around inside his head? Not much. That is what the Library is getting to sound like at night when some students go there to study. Everybody buzz, buzz, buzzes to his neighbor.

Students this year have been doing a fine job of keeping the campus the way it should be, but staying on the job is necessary to keep the campus pretty.

**Whose Bond Booth?**

Like the Varsity Show, the "Bond Booth" is an orphan. But in a different sense. The booth has so many foster mothers that it's neglected by all of them, under the assumption that one of the others will care for it; but the Varsity Show just ain't got nobody. Maybe it's better that way.

The booth should belong to everybody, not just somebody. It's everybody's war and it will be everybody's peace when the time comes, so it should be everybody's effort that brings it.

So the question "Whose Bond Booth?" is just a figure of speech—it's everybody's. It's yours.

**A Job Well Done**

The T. C. U. Horned Frog Band made its first appearance of the season at the A. & M. game; the T. C. U. Orchestra made its first appearance of the season in a concert in the Auditorium Sunday afternoon.

The band, under the directorship of Prof. John W. Woldt, made a fine showing on the field. Although there were no caps for the members and there was quite a bit of last minute hurry for the costumes of the majorettes, everything looked well prepared and all went off in good order.

The orchestra, under Dr. T. Smith McCorkle, has been working hard. The concert showed the fine results.

"My experience with war places me in 100 per cent hearty concurrence with Sherman," Prof. J. R. Maceo comments.

Prof. Maceo received a commission as second lieutenant the day after Easter, 1916, with the British infantry. His brother, two sisters and he all enlisted on the same day—the brother in the infantry, the older sister in the Red Cross Auxiliary and the younger sister in limited clerical work.

"I was educated in England and felt it to be my duty to enlist," Prof. Maceo says. "My first assignment was in Flanders. Then we were sent to Egypt to relieve General Allenby's army, which was sent to Jerusalem. Later I was wounded by shrapnel and discharged."

Prof. Maceo came out of the war with the rank of major.

"Student Okay Needed to Boost Projector Search"

"One Last Chance in Sight"

"Council Abandons Movie Hopes"

And now it's "Could Be," "Yes" or maybe "No"! The truth is that

hope was officially abandoned a good five weeks ago. But there's a do or die gal on the campus and as she dos, projector houses die!

Miss Lorna Culp of the Student Council social committee refuses to let go until she wins. It's the same old story over again—a campus movie is still in sight IF the Administration will shell out

enough dough to buy a projector; IF film for mixed civilian and Navy personnel may be obtained; IF Mr. Dees will build a fire-proof closet; IF he can find the materials with which to build it; and IF Miss Culp keeps trying long enough and hard enough. Oh yes, and IF the projector which she has lined up is as good as the salesman writes that it is!

# SPORTS FORUM

By Richard Moore

The Frogs will be lucky to finish in third place in the conference. At the close of this semester, Coach Dutch Meyer will lose four of his starting eleven.

Dick Smith, Billy Hale and Harry Gardner are scheduled to graduate from the V-12 Unit here and be sent to midshipman school. Doug Carter, another Navy lad, is San Diego bound, Nov. 1. The loss in experience to the Frog team when this quartet leaves will be tremendous. Hale and Gardner are both lettermen, and the other two men have had squad experience.

The hardest position of the four that Meyer will have to find replacement for is the blocking back post of Gardner. Red is probably the deadliest blocker on the squad and really backs the line up in great style. He will be sorely missed.

SMITH

Smith and Hale played the best defensive game for the Frogs Saturday, in this corner's eyes. Smith blocked two punts and caused the Cadets' passers much havoc with his fast rushing. Hale, as in the Arkansas game, played in fine fashion, and kept a steady stream of chattering going throughout the game.

Carter is a former Baylor squadman and his speed in the backfield will be hard to replace. As it now stands, the understudies of these men have had no previous varsity experience.

We hate to seem to be another one of these Monday morning quarterbacks, but this corner is still wondering why, when the Frogs got the ball on the 15-yard line in the last quarter by virtue of Smith's blocked punt, two line plays were called when T. C. U. had been held to a standstill on the ground. Also, with 30 seconds remaining in the game, the tackle around play was called.

True, the Frogs were not holding on to the ball on passes, but still, the team would have probably made more yards passing than running, as the receivers were getting into the clear quite often.

Norman "Ears" Morrill, big Frog guard, will not make the trip to Oklahoma City with the rest of the boys. Morrill's fine playing will be missed in the game Saturday.

For the predictions this week, this corner's choices are T. C. U. over Oklahoma A. & M., Texas over Rice to the tune that Texas desires, Texas A. & M. over N. T. A. C., Tulane to defeat S. M. U. and Southwestern of Texas to take Southwestern of Louisiana by a larger score than most people expect, say three touchdowns.

# Aggies Are Foe Again

## Young Sooner '11' to Meet TCU Tomorrow Night—A&M Has 1 Victory in 3 Starts

The T. C. U. squad leaves this afternoon 35 strong for Oklahoma City, where tomorrow night in Taft Stadium the Frogs tackle, for the second consecutive week, another bunch of Aggies—Oklahoma A. & M. Kick-off time is scheduled for 8 o'clock.

For the second week, Coach Dutch Meyer's team will run into another squad that is almost entirely composed of freshmen. In fact, the starting eleven of the Farmers will be all first-year men.

The Aggies have played three games and won but one, defeating Texas Tech 20 to 13. They have dropped their last two games to Oklahoma University and the Norman Air Station.

T. C. U. will again hold the edge in experience. In the line the Frogs will hold a 10-pound per man advantage, but the Cowboys will outweigh the Purple backfield 16 pounds per man. The two teams, however, both average 180 pounds per man.

### Air Attack Stressed

Oklahoma A. & M. may win this game, but the Frogs will at least show a better offensive than last week. The air will probably be filled with Frog passes tomorrow night for Coach Meyer has been drilling his chargers hard on the famous T. C. U. aerial attack.

Most of the work this week has been on offense. Tuesday, Coach Meyer had an intrasquad game, with his first eleven rolling up seven touchdowns.

Bright star of the first team was Kendall Bond, 160-pound freshman from San Marcos, who subbed for the injured Red Gardner. He showed good form in blocking and backing up the line. Bill Gaffney, tackle for the second team, was also outstanding in what defense the scrubs showed.

### Aggie Starters Named

The starting team for the Oklahoma Aggies will be Neill Armstrong and Bob Askey at ends; S. Y. Vitter and Rollo Wilson at tackles; J. C. Calhoun and John Gattis at Guards; and Leon Tedder at the pivot post.

In the backfield Roy Lane will be at the tailback post. Bob Fenimore, the Aggies' ace back, will be at one halfback position with Nate Wilson at the opposite wing. Bob Barlow at fullback rounds out the Cadet backfield.

## Editor Selects Yearbook Staff

Members of this year's Horned Frog staff have been announced by Miss Bettye Flo Baker, editor. They include Bill Michero, business manager; Richard Moore, sports editor; Miss Janice Conley, class editor; Miss Mary Lou Slay, Bill Mosser and Charles Goebel, photographers; Misses June Dameron and "Little" Day, society editors; Misses Billie Jean Boney, Dixie Belle Williams, Virginia Churchill and Martha Burnham.

The deadline for having annual pictures made has been set for Tuesday, Oct. 26. Orgain's Studio, upstairs at Sixth and Houston streets, will make the pictures. The price is 75 cents.

Work on the Horned Frog will begin about Nov. 1.

## Senor Oscar Rodriguez Enlists in U. S. Army

Senor Oscar Rodriguez left this morning for Dallas for induction into the Medical Corps of the United States Army.

Although he is a citizen of Coahuilla, Mexico, he went to Local Draft Board No. 4 and volunteered his services. He was accepted, and will follow in the footsteps of his older brother, who joined the Medical Corps, U. S. Army, last April.

Rodriguez was observing at T. C. U., preparatory to entering the University of Texas.

The first meeting of "Thesis Seminar" will be held at 11 a. m. Nov. 2, in Brite College of the Bible.

### Naval Units, New Band To Take Part in Parade For 'Navy Day,' Oct. 27

The T. C. U. Navy V-12 Unit and V-5 cadets will take part in the Navy Day parade in Fort Worth, Oct. 27. Also, the newly formed V-12 Band will participate in the parade.

Other units of the parade will include men from the Naval Air Station at Eagle Mountain Lake, an aviation cadet regiment of the Dallas Naval Air Station, Navy V-12 Unit of N. T. A. C., enlisted battalion from the Dallas Naval Air Station, which includes a company of WAVES, and members of the Navy Mothers' Club of Fort Worth.

Orders for the line of march and the type of uniforms to be worn in the parade were issued by Lieut. Comm. M. V. Lewis, commander of the V-12 Unit at N. T. A. C.

The parade will move from Lancaster north on Main to Fourth Street, west on Fourth to Houston Street, south on Houston back to Lancaster Street.

## Passes Defeat Frog Eleven

### Farmers Take to Air In Decisive Third Period To Obtain 13-0 Score

By RICHARD MOORE

A punchless but stubborn Frog eleven held the youthful but smart Texas Aggies at bay on the ground Saturday, but the Cadets took to the air and two passes, one long and the other short, were good for touchdowns as the Farmers marched on to their fourth consecutive victory, 13 to 0.

Both scores came in the third period after the two teams had battled to a deadlock in the first half.

The first tally was on a long aerial from Jim Hallmark, Cadet passing wizard, to Bob Butchofsky that was good for 43 yards. Butchofsky cut to the left flat, then straight down the east sidelines, and took the pass behind Royal James. Jim Lucas cut Butchofsky down at the goal line, but the Maroon player fell across the double stripe.

Seven minutes later, the Farmers and Hallmark struck again. Marion Flanagan, triple threat Cadet back, took a screen pass and behind good blocking, plus some clever hip weaving, stepped 20 yards for the second counter. Stanley Turner, the place-kick specialist for A. & M., converted after the first score, but failed on his second try.

### Offensive Gains Only 28 Yards.

That was the ball game as far as the Frogs were concerned. The T. C. U. eleven could make only 28 yards net, rushing and passing.

# From The Crow's Nest

By MARY LOU MORROW

Since the game and the trimmings that went with it were the highlight of the past week, seems only natural to start off with who saw whom with whom and why whom was with whom, et cetera . . . Exes could be seen for a dime a dozen; just a few are . . . THERYLENE KNOX, who is returning in November, DON EZELL, VIRGINIA TOMME, sporting a brand new engagement ring, JUDY HILL and MRS. LOIS JEANE DAVIS . . . RAY SMITH and L. L. SANDERS were there with their girls. Then there was JUNE CARTER from Missouri with CLYDE FOLTZ. The Navy was glad she came down, too.

BETTYE MAE DAVIS and BOB HARLAN are a cute couple, but why does Bob keep writing daily letters to a girl in California?

Constant and semi-constant buddies: HARDY BOWMAN and VIRGINIA MASON . . . BILLY HALE and RUTH BALL . . . BOB MAGOFFIN and DOTTIE HARTUNG . . . BILL NOLAN and "SIS" JONES.

Is it true or is it not that ROSEMARY STUCKEY and "HOOT" GIPSON are going steady? . . .

GEORGE OTEY, the Oklahoma kid, has decided to quit saucer-ing and blowing his coffee, as MILLICENT might not like it. . . The crown of faithfulness can be bestowed upon MILTON PERS-SON, V-12 man. He has remained true to "California," and even sent her a horned frog which, according to latest communiques, is still surviving in California climate.

People are beginning to wonder just why CHARLES COLEMAN is so crazy about the song, "Paper

Doll." Won't some one ask him and clear up the mystery? . . . "His bee-u-ti-ful big brown eyes" is all anyone can get out of HEL-LEN ANDERSON when BILL'S name is mentioned.

That which was between WOM-ACK and FAGUY-COTE isn't . . . The happy smile so evident on ANNE FARIS' face is all due to the fact that "CHUCK" came in yesterday . . . Only one night has CASSIE AUCOIN failed to receive a long distance call from Camp Berkeley. PAT McKEE is giving many a freshman and even upper-classmen the worries when he just keeps playing the field.

JUNE DAMERON received a number of birthday presents last week and tucked among them was a dozen red roses from student body president, FOLTZ. ROSE-MARY and FELICIA MORSE are ready to weep tears at the thought of the cadets from Hicks Field leaving this week.

"All students and faculty are cordially invited to attend," says Mrs. Florence Compton.

Pitch a lucky man in the Nile, says an Arabian proverb, and he will come up with a fish in his mouth.

## Passes Defeat

(Continued from Page 3)

The Frogs chalked up but two first downs.

Coach Dutch Meyer's eleven had only two scoring opportunities. In the second quarter, Dick Smith, who played an outstanding game, recovered an Aggie fumble. On the first play, however, Lucas fumbled and the Cadets took over.

Again in the final quarter, Smith blocked a kick, his second of the day, and covered the ball on the Maroon's 15-yard stripe. The Frogs stuck to the ground, though, and two plays gained nothing. Two passes were broken up and the rally died.

### Defense Stops Onslaught Twice.

On defense the Frog line was good. The Aggies rolled up 151 yards rushing but threatened to score but twice. Once, the victors moved to the 2-yard line before being halted. Again in the fourth period, against the Frog second team, the Cadet machine rolled to the 10-yard stripe. There Meyer rushed his first stringers in and the proceedings were ended.

The best opportunity for T. C. U. to roll was in the air, as time and again the Purple receivers were in the clear. But either the receiver would drop the ball or the pass would fall short. Only three passes were completed of 21 attempted.

Smith, Billy Hale, Bill Marshall and Capt. Clyde Flowers played good defensive ball for the Frogs. For the Farmers, Hallmark was a thorn in the Frog side. Goble Bryant led the Cadets in their great defensive play.

Life is divided into three terms—that which was, which is, and which will be. Let us learn from the past to profit by the present, and from the present to live better for the future.

## Trumpet Player Swings Out, but Nothing Happens

Did you ever do something you were supposed to be doing weren't?

Ask Misses Tommy Dees and Mary Beth Lawson about it. Seems that the band was to perform the letters "T C U" game Saturday, but a short band members made it lackluster.

Somebody got the brilliant idea of letting two students who they were playing instruments fill in the spaces needed to complete the formations.

Tommy, who plays a violin, was given a trumpet to carry. Mary Beth couldn't get an instrument—so she just walked and looked intelligent about the matter. Mary Beth also plays violin.

After the game, Tommy said a few of her friends, "Did it really? I moved my fingers just like a real trumpet player."

## Campus Club Discusses New Name, Tri Chi
