Mr Amon Carter,
Fort Worth, Texas,
Dear Sir:-

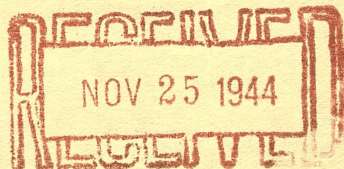

We have recently visited Lt John Meadows who has been repatriated from Oflag 64, Germany, Our Son is also a prisoner of War in this Camp with your Son.

Lt Meadows told us that he was sending you some pictures taken in this Camp to have reproduced. I will appreciate it very much if you will send me a set of these pictures when you ~~have them~~ have them reproduced as my Son is in one or more of these# pictures and send me bill for whatever the charges are.

Hope this War will soon be over and our Boys can once more enjoy peace. Last letter we received from Robert (R.L Jr) was written Aug 28th, said he was still in good health and getting along as usual. Hope you have heard from your Son recently.

Thanking you in advance to send these pictures if and when you can have them finished.

Yours very truly.
