Dear Amon:

I have just received your letter of March 28th and I have sent the letter to Mr. R. J. Wysor, President of Republic Steel Corporation.

At the time Silliman Evans got out his special edition on the occasion of the dedication of the Nashville plant I was importuned for an ad. I told Victor Emanuel, who did the importuning, that I would have nothing to do with it and that he would have to take it up with Mr. Wysor. He did and secured the ad.

I have recommended that Truscon take a page, Truscon being 90 some percent owned by Republic.

I would hate like the devil to have you lose your job in the Advertising Department.

Sincerely yours,

Tom
