upon the Ridglea area in the manner that current plans and funds would provide. It would be similar to building a road to the river and failing to provide the bridge. The means of providing these remaining funds must therefore be found.

It is my recommendation that you invite representatives of the State of Texas, the City of Fort Worth, the Chamber of Commerce and Convair to meet with you at an early date in an effort to resolve this problem on some reasonable and mutually satisfactory basis. Also, in the event you so desire I shall be pleased to attend the meeting provided the date of your meeting does not conflict with any previous engagements I may have made.

Receipt of an early reply indicating that you concur in the need for such a meeting and establishing a desired date will be appreciated.

Sincerely yours,

Amon G. Carter
